12:05 p.m.   **Leading in Uncertain Times: Opening Remarks**
What do we know from history about what is required to lead in times of great uncertainty and tumult?

Michael Beschloss
Presidential Historian and Scholar of Leadership

Award-winning historian and scholar of leadership, Michael Beschloss is the bestselling author of ten books and has been called "the nation's leading Presidential historian" by *Newsweek*. Michael regularly appears on *NBC Nightly News*, *Meet the Press*, *The Today Show*, and other network programs as the NBC News Presidential Historian and contributor to the *PBS NewsHour*. He has won an Emmy for his television work and received six honorary degrees and numerous other awards. His most recent bestseller, *Presidents of War*, is described by Historian Ron Chernow as a "monumental and profoundly important" book that "looks at leadership from every angle" (*The Financial Times*). Michael is an alumnus of Phillips Academy (Andover), Williams College and Harvard Business School, where he studied leadership in the private and public sectors.
